Assignment 0

Your assignment

You should submit either an image of a product that you think is well-designed or poorly designed. Along with your image, include a short write-up (5-10 sentences) describing why you think the product is well-designed or poorly designed and why you chose it. Choose an object that you have experience with, either hardware or software.

What to Hand In and When

Submit your assignment before the deadline via email to the instructor. Please submit your assignment in pdf format, and name the file yourfirstname_yourlastname-hw0.pdf (example: vassilis_kostakos-hw0.pdf)
